

Alaska Type 3 Credentialing Development

Credentialing Subcommittee Organizations

Fire Standards Council
 State Emergency Medical Services
 Fairbanks North Star Borough
 City and Borough of Juneau
 Department of Environmental Conservation
 Division of Forestry
 Wildland Coordination Group
 Kenai Peninsula Borough
 Search and Rescue Association
 Division of Homeland Security and Emergency Management
 Municipality of Anchorage Public Works

Challenges

- Opportunities for training assignments on incidents are limited
- Administrative overhead and documentation difficult for rural/small communities.
- Detailed document review engagement by subcommittee organizations
- Evolving federal guidance and position-specific training
- Qualified instructors for position-specific training
- Participation in subcommittee by all relevant disciplines
